

California Inland Region of NA Regional Delegate (RD) Report

August 1, 2021

Conference Participant Web Meeting and WSZF Quarterly

We had the CP web meeting to discuss the WSC last Saturday and then our quarterly Western States Zonal Forum meeting on Sunday, and I just didn't have time to put together a full report.

I know Carl was excited about the CP meeting, and I'm looking forward to hearing his experience.

I have lots of notes from the WSZF meeting, and will provide a full report next month.

CAR 2022 Motion

Our revised CAR motion was submitted to the World Board and they confirmed receipt. I have had no further communication or push-back.

BMLT

CIRNA's BMLT is ready to go live. I pulled meeting information for Mountain Area from the CIRNA site, and for LDA from their web site. I created an account for LDA's meeting directory officer and they are now able to update their own meeting information. We can create accounts for each of the other areas as well.

You can view our BMLT at www.cirna.org/meetings/

Once given permission to go live, I would create a live link on the CIRNA web site (probably replacing the current content on Find a Meeting). We can then provide individual phoneline and meeting info for each area under the Areas menu item.

I am asking for a vote of the RCMs to give me permission to go live with the CIRNA BMLT.

Budget and Expenses

I had no expenses this month and have spent \$0 of my \$715 budget for 2021.
